ATTENDANCE: Joe Morris, Sarah Carlson, Commissioners

0 members of the public.

DISCUSSION TOPICS:

Sarah explained some of the preparations she was making in anticipation of being gone in November. Joe updated information on the shut-off notices and results. He also discovered some irregularities with properties he has uncovered. Included was the property that was sold as having its own well. He found that there had been a permit issued in 1989 with the information that there was a private well. This is incorrect and he is working to get that changed. He reported on the squatter who cut the lock and turned the water back on himself. Joe is working with the bank and has filed a police report. The agenda for the 11/8/16 meeting was developed.

Sarah has been working on a desk manual, updating the website and the IRS issues.
