## OLD BUSINESS:

<u>Utility Moratorium Status</u>: One customer, whose account was delinquent with no signed payment agreement, appeared to contest water shut-off. He explained that his family had suffered a number of severe health and financial issues over the past few months. He outlined them in detail for the

# TRAILS END WATER DISTRICT 2 10/12/21 ZOOM MEETING 7 PM MINUTES

commissioners. He asked that he be allowed to enter into a payment agreement, even though the date had passed. Following discussion Ms. Watson moved to make an exception to policy and approve a signed payment plan of \$75 tonight and \$100 per month until caught up. Mr. Morris seconded and the motion passed unanimously.

#### **NEW BUSINESS:**

2022 Budget: Ms. Carlson reminded the Commissioners that our 2022 budget will be due in November. As of this week, we have not received notice from the County Auditor's Office of the due date, but we usually approve it at the November meeting. Ms. Carlson has begun work on a proposed budget but is asking the Commissioners to come to the 10/29/21 Working Session prepared to finalize a proposal for approval at the regular meeting on 11/9/21. We are significantly over budget this year because of the water leaks and the well issues. However, we have also had more than anticipated growth due to new hook-ups. Both these issues will need to be taken into consideration in 2022.

IRS Issue: Ms. Carlson reported that once again, the IRS has not applied funds in the correct places. They are showing that we have credit of \$1770.67, but that we owe nearly that month. After lengthy phone conversations with them, she learned they had not received three of our 941 reports. She and the IRS representative went through the reports one by one. All of the payments are correct. Ms. Carson offered to scan the reports to them, but they required her to print out new ones. Each of the three needed to have an original signature, be dated as of the current date, and mailed in its own envelope. Ms. Carlson also accidentally put her own PO box on the last form instead of the district's. The IRS didn't even confirm with the district, they just made a wholesale change of our address on everything. She was able to get the address changed back. Besides these two issues, the District has never filed and paid federal unemployment. Ms. Carlson was not aware of this. She will have them completed and sent in as soon as possible.

<u>Upcoming Working Sessions</u>: Ms. Carlson pointed out that the November working session is scheduled on the Friday following Thanksgiving. She wanted to check with the other two commissioners on their holiday plans. Similarly, the December meeting is scheduled for New Year's Eve and the Community Club has an event scheduled that evening. Do we want to have the working sessions as scheduled? Do we want to change the dates? Do we want to cancel them? Following discussion Ms. Carlson moved to move the November working session to the 24<sup>th</sup> and the December working session to the 30<sup>th</sup> at 4:30 pm. Mr. Morris seconded and the motion passed unanimously.

Sarah moved to change the date Joe 2<sup>nd</sup> and the motion passed unanimously.

## PUBLIC COMMENT: None

#### GOOD OF THE ORDER:

Mr. Morris said Nick Ernst of Top Dog Drilling, who does much of our work, is retiring. He offered to sell us some of his equipment. The commissioners discussed the offer buy all agreed that it would be more expense and work than we could provide. At the next working session, we will need to talk about who we can get to replace Top Dog.
