#### **STAFF REPORTS:**

Billing:

Ms. Snow reported that two of our customers with long-term delinquency problems have paid in full. We only have two accounts with small past due balances.

Maintenance:

Discussed below.

Miscellaneous:

Mr. Morris reported that we had the chlorinator long enough to make three rental payments of \$350. He said if we make one more payment of \$350 on the chlorinator, we will have paid the total cost and can own it outright. He is recommending that we do that. If we ever have another need to chlorinate, we will not incur rental costs. Having it on hand will also save time

in getting chlorination going. Discussion followed and the general consensus was to put the cost in the August voucher request for approval.

• Liens: None

#### OLD BUSINESS:

# **GENERATOR:**

Ms. Watson has been working long and has not been able to speak with the person who agreed to look at the generator. She hopes to go back to her regular schedule next week and get it scheduled.

Mr. Morris is working on repairing the line that is not deep enough by the fire station. He will be ordering materials through Ferguson and we have \$400 of materials on already on hand. Mr. Morris explained the new plan for the sensor at source 4. Northwest Water is now working available and people are available to inspect the test.

<u>CONSUMER CONFIDENCE REPORT</u>: Ms. Carlson reported that the CCR went out in the June billing, prior to the deadline. Ms. Snow mailed or e-mailed the report to the appropriate places and sent in the signed notice of mailing.

#### **NEW BUSINESS:**

<u>CUSTOMER SUPPORT PROGRAM</u>: The governor has requested utilities to have a customer support program concerning delinquent accounts in place as part of COVID-19 response. Mr. Shoemaker presented a resolution for our consideration. He explained that this is just a formality for us since we have already addressed these issues in either our rates and fees schedule or in previous minutes. Ms. Watson suggested and Mr. Shoemaker agreed that we replace the < and > signs (less than and greater than) be the actual words. Ms. Carlson moved to approve resolution 2020-04 COVID-19 Delinquent Account Payment Plan with the changes of < to less than and > to greater than. Mr. Morris seconded and motion passed unanimously.
