

TRAILS END WATER DISTRICT

Zoom Working Session

7/29/22 MINUTES

CALL TO ORDER: The working session came to order at 4:30 pm

ATTENDANCE: Deb Watson, Joe Morris, Sarah Carlson, Commissioners

DISCUSSION TOPICS:

Mr. Morris reported on the status of the well. Progress continues to be made. Northwest wants Source 4 running for 2 hours before they take a sample. It will take another 4-5 weeks to prepare their report. Once the Department of Health has the report, they must respond within 90 days.

Mr. Morris and workers are going to be cleaning out the two lots on Olympic View Drive and the Razor easement. He is having some problems with the equipment and is working on it.

Ms. Watson has not been able to get in touch with Nick, so nothing has happened with the generator. She will not make the September meeting due to medical reasons.

Ms. Carlson met with Ms. Montgomery and discussed policies. She will be working on them and have drafts ready to go on the meeting agenda for October meeting.

Ms. Watson has another potential bid on clothing. She will bring some samples to the next meeting.
