Maintenance:

Mr. Morris said we have removed the building from Source 4 to get better access for the work that needs to be done. It turns out that the sensor we got from Northwest Water Systems no longer meets the DOH requirements. Mr. Morris will be working on a solution for that. We have yet to do the 2-call float system and he is working with Drew. Once that is done, we should be able to get source 4 approved.

Ms. Watson reported that she worked on the generator in an attempt to figure out the wiring. Cummins sent a new drawing. She and Nick Howell have scheduled to do the re-wire according to their new wiring schematic on 9/27/21.

Miscellaneous:

Ms. Carlson reported that there were problems with posting minutes and other documents to the website. She entered the information and it went through the process to post them. They were all accepted but didn't show up on the home page. She suspected that our data was used up. The site contained minutes going back to 2014. All minutes are maintained for ever according to law. Since they are available if they are ever needed and the standard 3 or 6-year record retention time period had expired, Ms. Carlson deleted the 2014 minutes from the website. She did not delete resolutions or other reports such as the audit, rate study, etc. Ms. Montgomery said that was a correct and legal procedure.

Utility Moratorium Ends: Ms. Snow presented a list of those customers who have not been paying nor have they made payment arrangements. Discussion took place. Ms. Montgomery said it is not required, but we can send out a letter just before the end of the moratorium telling these customers they will be shut off and a lien may be placed. Again, the commissioners discussed options in the several different circumstances. Ms. Montgomery explained the "partial payment" situation and legal ramifications. She does not recommend that we accept partial payments. If they really have an issue, customers can ask to be put on the agenda of a regular meeting and plead their case to the board. It was agreed that, if a payment plan has not been signed with a past due customer, the balance will be due in full or service will be turned off and a lien placed. We will no accept partial payments

Resolution on Holiday Pay: Following our discussion at the last meeting, Ms. Montgomery presented a resolution for consideration by the board. Ms. Carlson moved to accept Resolution 2021-2 regarding holiday pay. Ms. Watson seconded and the motion passed unanimously.
