

**TRAILS END WATER DISTRICT**  
**9/27/19 Working Session**  
**MINUTES**

**CALL TO ORDER:** The working session came to order at 4:30 PM.

**ATTENDANCE:** Deb Watson, Joe Morris, Sarah Carlson, Commissioners

**DISCUSSION TOPICS:**

Commissioners discussed status of the property purchase.

Mr. Morris reported that he found the issue with water loss. He explained how our billing readings drop amounts in the 10 and 1 places, only calculating on the 100. He was using the billing amount for the water usage, but when he checked the usage by adding the amounts in the 10 and 1 places, the water loss was much lower. From now on, he will be using the full number when making his calculations.

Commissioners also discussed the progress on the well.

**ADJOURNMENT:**

The meeting adjourned at 6:05 pm.
