#### **OLD BUSINESS:**

# TRAILS END WATER DISTRICT 2 9/12/23 ZOOM MEETING 7 PM MINUTES

<u>Baker Silo – Single Source</u>: RCW require findings to be made by the Board to do a single source. New Hatch and two repairs totaling around \$4000.00. This company installed the tower originally and has been maintaining it since the installation. Given the small amount of cost compared to the State requirements and Baker Silo's familiarity and records of the tower, the Board is going to go ahead and use this single source vendor for this particular project.

<u>Website Status/Domain Status</u>: The website is up and running. WE need to schedule Jeff to do training. It looks nice.

<u>Restrictive Covenant Status</u>: Ms. Montgomery reported that she is going to declare executive session to discuss price or terms of real estate or leases. A letter will be sent to the property owner regarding the restrictive covenant.

## **NEW BUSINESS:**

<u>Customer Service – Resolution</u>: We have been holding accounts in renters' names and there have been on-going problems. Following discussion, it was agreed that water bills should only be in the name of the property owner. Property owners are solely responsible for payment of the water bill. If the property owner chooses to have a copy of the bill sent to the tenant, he can do so at an additional cost. Commissioners reviewed Resolution 2023-3 as prepared by Ms. Montgomery. Ms. Watson moved to adopt Resolution 2023-3 to establish account ownership and additional fees.

Ms. Watson moved to adopt Resolution 2023-3 establishing the owners of property as the account holders and amending Addendum A to include a fee for duplicate billing. Mr. Morris seconded and the motion passed unanimously.
