

# TRAILS END WATER DISTRICT

## Working Session

9-27-2024 MINUTES

**CALL TO ORDER:** The working session came to order at 4:40 pm

**ATTENDANCE:** Deb Watson, Joe Morris and Sarah Carlson, Commissioners  
Ms. Watson and Mr. Morris attended via telephone.

### DISCUSSION TOPICS:

Commissioners reviewed two recent e-mails from Northwest Water Systems. DOH has issued an approval letter for Source 4. The two wells need to be set up to operate on an alternating schedule. Once that is done, Department of Health will issue a finding that we have a "well field." Mr. Morris reported on his progress to bring the new well fully on line. Discussion followed. Also discussed was the potential of canceling the lease on the printer and just purchasing one. Ms. Carlson will do some checking on availability and costs. We are still locked into the lease for several months. Ms. Watson reported that she has been out of town but still has not heard from Cummins. She will continue making attempts to reach them before the next meeting.

The agenda topics identified are updates on the well and generator.

### ADJOURNMENT:

The meeting adjourned at 5:05 pm.
