

TRAILS END WATER DISTRICT
Working Session
3-27-26 MINUTES

CALL TO ORDER: The working session came to order at 4:30 pm

ATTENDANCE: Deb Watson, Joe Morris, Sarah Carlson, Commissioners

DISCUSSION TOPICS:

Ms. Carlson discussed her work to clear up the confusion with the IRS. The representative was apologetic that the IRS had not dealt with the initial issue in March 2023.

Ms. Carlson also reported that she completed the form requested by WASWD to assist them in setting the dues for 2027.

Mr. Morris reported on the leak. Monday an excavation crew will be coming to dig up in the vicinity of 1561 ETE. He might have to open a line which will require a short period of chlorination. The work has been put on the website and Alex will distribute fliers to affected houses.

Ms. Watson reported that the generators have been inspected. Everything passed. The technician did make some recommends such as a new battery and possibly upgrading the system that heats the unit. There are some hoses showing some age.

AGENDA: Update of the Generator, update on the leak,
